Acknowledgment

I would like to thank the Holy Spirit first and foremost for the fresh insights to the truths expressed in this book. Surely He is the Spirit of Truth.

I would also like to thank Mike and Tanya, whose helps, prayers and encouragement have been invaluable. Thank you body of believers in Oklahoma for all your prayers and financial help in my ministry and a special thank you to Hope, whose ministry of giving has enabled me to publish this and other books.

Introduction

The purpose of this mini-book is to reveal to the believer the reality of our warfare with Satan. The Word of God is clear about our warfare with Satan. The Holy Spirit uses the three revelation gifts to expose the enemy's workings and schemes against the individual Christian on specific issues that would appear to the natural eye to be merely negative circumstances or a physical "condition" of sickness, rather than the powers of darkness working against them.

It is the expose of Satan's attempts to "kill, steal and destroy" (John 10:10) in these graphic dreams that we have our faith quickened and anchored in the Word of God to resist the devil and to hold fast the confession of our faith.

I am eternally grateful for the Person of the Holy Spirit and the revelation Knowledge given through these dreams. Literally hundreds of times the information given in these dreams has brought victory and deliverance in given situations. Truly "without a vision the people perish". (Proverbs 29:18)

I express my eternal gratitude to you, Holy Spirit, and pray you will open other's eyes as well through this book.

Warfare

In this particular dream I dreamt: I was in a "holy" war, a religious war. It was in Ireland. The reason the Holy Spirit gave me that symbolism was because Ireland *is* in actuality in a holy war. The Catholics and Protestants are fighting. The Lord wants us to realize that we are in a holy war. It is a spiritual war - unholy powers against God's holy Power. I got on a motorcycle with this man that I knew was the Holy Spirit. Somehow we were trying to divert these men, these terrorists that were coming after us; so we jumped off and we diverted them for a while. I remember seeing I had an object under my blouse, an object that protruded in the heart area. They were after that object. Do you know what that object was? It was the Word of God. They were not after me, Pat Martinez. They were after the Word I put in my heart. You and I, as we are in battle are dangerous if we have the Word in our heart, and if we are living in the Spirit. As that Word is rooted in our hearts, we are dangerous to Satan! Amen?

Let's look at Mark 4:13-15: "And he said unto them, Know ye not this parable? And how then will ye know all parables? The sower soweth the Word. And these are they by the way side, where the Word is sown; but when they have heard, Satan cometh immediately, and taketh away the Word that was sown in their hearts." What does he use? - persecutions, tribulations, cares, deceitfulness of riches, anything he can! But what God wants you to know, and of course the scripture says it, but the dream also says it perfectly - that they are not after you but they are after that Word. You get real serious in the things of God and you read your Bible and you think, things should be going better than ever. Right? And they will, they will, if you let the Word take root. A little baby gets conceived and that little baby is going to come out one day and you are going to have that answer to prayer. You are going to have your manifestation - if you guard that Word in your heart. David said in Psalm 119:11: "Thy Word have I hid in mine heart, that I might not sin against thee." We know that Satan's power is in sin. Unbelief is a form of sin. There are many, many sins. But if we hide that Word in our heart, we have the strength to resist. We are rooted, that faith has a substance to it, a powerful substance. If we do not have faith (I am not just talking about a mental believing) but faith that comes from the life that is in the Word in our spirit, we are easily overcome. It is like having no nourishment and going into battles without the energy from the food we eat.

Then in the next portion of the dream right after that I decided to get my hair done, and I got to the beautician's and what do you think happened? I felt so foolish. I had grapes in my hair, - grapes! Picture this now. The Holy Spirit has a sense of humor. He was showing me something, I meditate the Word and I am bearing fruit. I am fruitful in my thinking. The Word of God says in John 15:5: "I am the vine, ye are the branches. He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing." And it is also a type of renewing your spiritual mind to the Word of God. Our fruitfulness begins in our thinking. That is where the Word first goes in - through our mind. My hair was being fixed and groomed. Your hair is a type of your consecration. Remember Samson and his hair? He had that long hair. He was fulfilling a Nazarite vow. The length of his hair and his strength was really his consecration to God. As soon as that was cut in disobedience to God, he lost his strength. As soon as we leave the Word of God aside, our strength is lost. "Without me you can do nothing." Jesus said. We have found that out, haven't we? We can be going along real well with the Lord and all of a sudden we do something and we yield to some temptation and then what?

Do we have power to resist? Hah! Satan should be under our feet, but suddenly we are under his feet!

I had a dream where I saw all these crazy devils. Believe me there are devils in this world. They are crazy and insane. Their one object is to kill, steal and destroy in whatever way they can. It may be your health, or finances, or family, or any relationship. They are after them. Their job - to kill, steal and destroy our peace, joy, or prosperity. They want to wipe us out in any and every area.

So they were after me and the only way to escape was by disappearing - by hiding through invisibility. I became invisible. Now, if you are invisible, the evil spirits do not have any ground. It is only the man in the flesh that they can dominate. Do you remember the curse God spoke to the serpent in the book of Genesis? He said that the serpent was going to crawl on the dust - he was going to crawl on his belly. Apparently previously he could walk or get around in an ascended position like that. What are we made out of? Dust. "Adam" he said, "you are going to have a curse until you return to the ground because you are made out of dust and to dust you will return." (Paraphrased Genesis 3:16-19) So "In Christ" we died, didn't we? We were crucified with Christ nevertheless we live, but not us but Christ lives in us. So God sees us after we accept the Lord, with a new spiritual nature. He does not see us as fallen sinners after Adam in a fleshly nature anymore. There is a place to live out of the spirit and not out of the flesh. When you and I, as Christians, live out of the natural man, we can still be dominated and controlled by the devil. The only way to escape the devil and his snares and to overcome him is not to get angry at the people that he uses, or the circumstances that he uses, but it is to first of all hide and disappear, by hiding in Christ. *Then* it is that you use the Word of God and prayer as your spiritual weapons. You and I are no match in the flesh against demons. In Ephesians 6:12 it says: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

I had another dream about some tracts. The tracts we pass out when we want to witness to people. I had some "New Birth" tracts in my purse and someone stole my tracts. There again, Satan is a thief. One of the biggest things that he will try to steal from you after you come into the realm of the

understanding of the spirit and the flesh is this truth of living out of the spirit. Your purse is your goods. He was trying to steal my goods by stealing that revelation from me. Satan comes immediately to steal the Word. The Word is tangible and he will try to steal *this* Word, because it is *this* Word - living out of the spirit, that takes you out of their dominion. So he will try to bring confusion, he will try to tell you - oh, that does not make sense; what is she talking about; what is he talking about? He will try to do anything to keep you from entering into that realm. He likes you right in this fleshly realm. He wants you on the earthlies. He does not want you in the heavenlies. You are dangerous if you are in the heavenlies. You are far above all principalities and powers there. When you are on the earthlies - they are above you, to say the least. We have two enemies. One is the devil and the other is the flesh. The Holy Spirit's biggest enemy is the flesh. The flesh lusts against the Spirit. The Holy Spirit tells you to do something and if you are in the flesh you will reason and think "Should I, I do not know if I want to, I do not feel like it." You can't even love in the flesh. That is the main commandment that we have been given is to love. You cannot truly love someone out of the flesh. If you do not know that there is another realm to live out of, all you are going to do is be frustrated, grit your teeth, pretend that you are walking the Christian walk and within you, know that you are not.

Right before awakening on one occasion I heard an audible voice, that ties in to our present topic that said: "He that is dead to sin, is dead to sickness." We know in Romans 6:7 it says: "He that is dead is freed from sin." The Lord spoke this to me in an audible voice in 1981. That is a powerful revelation. Yes, we want to be dead to sin. We want to be able to love. Love is patient and kind, so on and so forth. We can be free from sin as we live in the spirit, because he that abides in him sins not. But to be dead to sickness! That is also powerful and quite a revelation, isn't it? I have yet to see a dead person sick. Right? We can, and I do take Mark 11:24 in different areas for answered prayer all the time. You can get answers to prayer by taking a simple promise of God. You can take a promise such as in John 14:14: "If you ask anything in My name I will do it." You can say, "Lord, because I am asking you to heal me of that affliction, I believe it is done," and He will do it. He will honor that. But there is another way, there is a higher way. There is a realm of the spirit to be lived out of where that old man is dead and that disease does not operate. Many of us know about John G. Lake. He was a wonderful man of God. He is with the Lord right now. He ministered quite a bit in Romans 8 regarding the law of the spirit of life in Christ that sets us free from the law of sin and death. He would minister publicly when the Bubonic Plague was

raging. You know how contagious that is! In fact he would bury some that died, and people were concerned that he would contract the disease. But he would say, "Oh no, as a matter of fact if I put my hand under a microscope and they put some of that disease germ on my hand, it will not affect me at all. You will watch the disease germs die on my hand as you look under the microscope." They said, "Well, why is that?" He said, "That is a law and it is called the law of the Spirit of life in Christ Jesus." There is the natural law of disease and then there is the supernatural law when Christ is in us - of life. We do not understand when we first accept Christ the fullness of our salvation, a part of which is: divine health, prosperity, anointings. ministry, the fruit of the Spirit, as well as the gifts of the Spirit. 'When we first get saved, we have just begun. We just begin to tap into the things of God when we become born again.

I had a dream about a large white house being built into the side of a rock on a cliff. It was very high up, and it was deep. It was for sale, and we bought it. It was weather-worn and needed to be painted on part of the outside. It would be impossible to use a ladder to paint it. It was so high up that only a supernatural hand could paint it and restore it. Then right across from this house on the cliff, but on a lower level, I saw a huge dark baboon. He had some weapons. He was close enough to aim his weapons at the house. That "house" was me figuratively. I and my husband (my husband was symbolically Jesus) went and took a ball and a chain and put it around its' ankle. We got in a boat and brought him back to his own land and left him there. The white house was me. Luke 6:47-48 says: "Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like: He is like a man which built a house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock." Do you have those storms once in awhile? Now this house was weather-beaten, and so the Lord was showing me I was going through a trial at the time, and He was showing me that those streams were beating vehemently against me, but my house was built in (on) the rock, and I was in type up in a position in the spirit. The baboon is an animal that will track human beings. He was a type of the principalities and powers in high places. He was lower than I was, but he still was in a high place. The Word says in Matthew 16:1 9b: "Whatever we bind on earth is bound in heaven, and whatever we loose on earth is loosed in heaven." So you and I have the power to bind them. My husband Jesus and I went and took a chain and bound that wicked spirit and made him go back to his land. So when you and I cast demons out we can tell them to go back to

their own land. According to this revelation, we are to tell them to go back where they came from - not just cast them out - but bind them up and say, "Go back where you came from."

In the next scene in the same dream, I saw myself sitting in an office at a desk. I was very cheerful. I saw my father come in. He was a big, big man and he had a sandwich with meat in it. I laughed and said: "Do you think that lunch is big enough?" This is what that meant: "Be of good cheer for I have overcome the world." (John 16:33b) Hallelujah! And our Father *is* big! We can be very cheerful when we are united with Him, and when we are identified with Him. The reason I was sitting was because I was in a position of faith, or I was in a position of rest. The position where I was "seated" in heavenly places.

When you see yourself sitting in a dream, it means that you are in faith. You are seated with Him, and you are in a position of authority. Your desk would be your specific office, whatever you are called to. So God was saying, "Stay in faith, in your office, be cheerful, be of good cheer, for I have overcome the world." Now He had a meat sandwich. There - the meat meant identification truths. This is where the Word of God says in Hebrews 5:12-14: "For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. For every one that useth milk is unskillful in the word of righteousness: for he is a babe. But *strong meat* belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil." So some of these teachings today are meat. For young Christians these truths may be a little high to grasp, but some have been on milk way too long anyway and need a little meat.

We can become "weather-beaten" when we are under attack. Don't you feel like that sometimes? "Boy, I could use a paint job on my house!" The reason the house was so high up was because it denoted heavenly places. Only a supernatural hand could paint it. The painting represents the washing of the water of the Word that restores us and cleanses us from these attacks from unclean powers. The Lord *knows* we are going through things. He *knows* that we have attacks on us. You realize you are going through these attacks without specific revelation to tell you so, somehow when He gives you these

revelations through dreams - they escalate your faith and quicken the Word of God more powerfully. We have authority over one baboon, and we have authority over all the baboons! Amen! None of them are to dominate us, none of them are to control us.

I had a dream where I was in a department store, sitting at a table. And I had a bag of items that I had just purchased. Three burly looking men rushed up to my table. One grabbed my bag and looked into it very rudely. I told them that I was not going to take that, and I was going to call the police. The police are the angels. They panicked, and began a "run" on the store. They ran through the store, vandalizing it. All I could think about was hiding. I rushed to the elevator, and pushed the button for the 190th floor. That was a pretty high building! If we reverse 190 to 91 we come to the High Place of Psalm 91:1-3: "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God, in Him will I trust. Surely He shall deliver thee from the snare of the fowler, and from the noisome pestilence." So *He* is our refuge, *He* is our fortress. Sometimes we are standing in front of the fort, and wondering why things are not working for us, and why things are getting worse. Because we are standing in front of the fort instead of being behind the fort. That is where the wall of protection is. He is our fortress. Hallelujah! And there again, John 10:10: "The thief comes not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly." Now the reason that it was a department store, is because they were looking through my bag, which was my goods. If you see your purse it is your goods, it is either your literal finances or it is your goods. They were looking through all the different "departments" of my life. Do you know that they are looking through the departments of your life? They are looking in all the departments to see what they can steal, and what they can spoil. Your answer to not being stolen from is to be in that hiding place. That is the place you use your offensive weapon - the Word of God.

Sometimes your heaviest attacks are after your greatest victories. Is an attack ever expected? Never! Otherwise it would not be an attack. You do not expect it, you are off guard. And they look for "off guard" times. And this dream came after a wonderful meeting that we had had. This literal attack as well as the dream. In this dream I saw a friend of mine and myself standing in front of a building. Now, remember about the streams beating vehemently. I had on a white dress and I looked radiant. The reason I am pointing that out

is because sometimes if we are under attack, we may have sinned, and we may have opened ourselves up. But most of the time, I believe, for us that are going on with the Lord, the streams are beating vehemently against us to *stop* us. And the reason He showed me radiating was to know that I had not opened myself up to it through anything I had done. That helps you, because if you are under an attack you think, "Where have I missed it Lord, help me - have I sinned?" If you are under false condemnation how are you going to fight against the devil successfully? You cannot! So, I had, from this vehement rain, - mud spots (unclean powers) all over my white dress. I ran into a brick building and I saw a sink in the middle of the room and I thought, I will put my foot in there, (it was down low), and spot clean my dress. You know how long that would take of course hour upon hour probably. Then I saw a shower stall. I felt like the Lord was saying to go take a shower. I knew if I stood behind the door it would put me in a different realm and that the showers were a type of the living waters flowing out of my belly. Getting behind the shower door is a type of getting from the realm of the flesh to the spirit. Spot cleaning is like washing your clothes at the river instead of using a washing machine. It is the same analogy. What He was saying was to let the rivers of life as you are in the spirit, cleanse you. Spot cleaning is a type of taking the Word and confessing it while living out of the flesh. The Word is alive and "living water" and it still will work even when you are living out of the power of the flesh, if you believe in the integrity of God's Word - but it is like spot cleaning.

For years I had learned how to confess the Word, I knew the Word worked. I knew they both worked, and they could not contradict each other. But what He was saying was to get behind that shower stall, to "be" in the rivers of life - and then confess the Word. "*If you abide in Me (in the spirit) and My Words abide in you, then ask what you will, and it will be done unto you.*" (John 15:7) Oftentimes the Word is in us and we are not in the spirit, or we are in the spirit and the Word is not in us. So we have to combine those two things. In John 15:3 it says: "Now ye are clean through the Word which I have spoken unto you." In Ephesians 5:26: "That He might sanctify and cleanse it (the Church) with the washing of water by the Word, That He might present it to Himself a glorious church, not having spot, or wrinkle, or any such things; but that it should be holy and without blemish."

Here is another dream I had, again after a great victory. It is after that victory time that He wants us to be alert. We want to recall Gideon's army.

The only 300 that were chosen were those who “watched” around all the time that they drank the water. The reason the others missed it is because they were on their stomachs drinking and they were not cautious. They were not going to overcome in warfare because they were not paying attention to what was going on around them. So in this dream, which was after a great meeting where we had a wonderful time with Jesus - some people were lingering and we were fellowshiping and having a good time and Jesus had healed many backs. In this dream this lion came on the scene right after a meeting. There were just a few people left, and I looked at that lion and I thought: “You have got to be kidding! I have to fight this lion *now*? I thought I finished for the night.” I was ready to go home and rest. The scripture reference is I Peter 5:8: “Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about seeking whom he may devour.” Now he is weaker than us so he is not going to come when you are strong. You might not be as sharp to counter an attack or as sober, or as vigilant at a time right after a meeting, for instance. So He is saying, “Be vigilant, do not coast!”

Then I had another dream about a lion. I was sitting on a countryside road talking on the phone. Of course they do not have phones in the country on a roadside but the Holy Spirit was making a point as being on the phone is symbolic of praying. So I was talking with someone and I could see these horses in a field - beautiful horses - and suddenly two horses came against each other. It was a type of strife. “For where envying and strife is, there is confusion and every evil work.” (James 3:16) That is why Satan attacks you so hard in that area. Then I saw a barbed wire fence. As I was watching these horses come against each other and was talking to my friend on the phone, a lion came and he stood with his back feet on top of that barbed wire fence, rearing up in the posture of a horse. Picture a lion with just his back feet standing on this fence. I “got” what He was saying. I said to my friend on the phone: “You are not going to believe this, but there is a lion here, and it is about to jump on these two horses. But I am going to be really cool back here and lay low as I do not want him to notice me.” I told him that as soon as he left, I would hang up and run. So I sat there and watched him. Then I saw as he was in this reared up position that he began hissing. He was as a serpent, the lion was the serpent. It is the poison that comes out of our mouth - *the* strife - that activates him. He was the source of that strife and was ready to pounce on his victims. All of a sudden it came to me and I thought: “What am I afraid of him for?” And I hung up that phone and I went up to that lion and I took my hand like I was going to spank a child, and I said, “Get out of here! In the Name of Jesus!” And he went whimpering away because our adversary

the devil goes about as a roaring lion seeking whom he may devour. (I Peter 5:8) He no longer has his power. But he has powers of deception and he will make you think he is tough, and think that he is lord, and if you are not sharp and if you are not grounded in who you are and that you are a son of God he will overcome you. The Lord spoke audibly to me on one occasion and said: "The devil can only do to you what you let him do."

In this next dream I was standing somewhere and two accountants came up to me. They had some accounting books in front of them and they said: "We want you to say that you did this bookkeeping." I looked at them puzzled - thinking that that would be dishonest. "No," they said, "Go ahead, say you did it." I said: "Okay, I did it, all right - I did the books." Then I saw myself in front of a building in my shorts on a lounge chair, sunbathing, reading the Bible. And I saw my mother and she was standing next to me. Then she left me, and went to the mailbox to get some mail. As she left me, two snipers came by - mafia snipers. They aimed at me and they should have killed me, but they did not. I ran into this brick building which was right next to me - up to the second floor, *through* the restroom, into another room where I saw my brother. My brother was sitting there and He had a Bible. I jumped on his lap and I hid behind his Bible. He was talking to these two mafia men and He said: "Do you know what a sharp shooter my sister Pat is?" Well I laughed as he said that because I knew I was not a sharp shooter in myself. So this is the interpretation. The Word of God says in Romans 6:6-11 "Knowing this, that our old man is crucified with him, that the body of sin might be destroyed, that henceforth we should not serve sin. For he that is dead is freed from sin. Now if we be dead with Christ, we believe that we shall also live with him: Knowing that Christ being raised from the dead dieth no more; death hath no more dominion over him. For in that he died, he died unto sin once: but in that he liveth, he liveth unto God. (And this is the key scripture in verse 11.) Likewise *reckon* ye also yourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord." "Reckon" is an accounting word. Reckon means to account. You do not try to be dead. You just account the facts. The facts are this - Jesus died, I died. I was in Him. I was crucified with Him. So, those accounting men were saying. "Pat, even though Jesus did the work on the cross and died for you - you just say you did it, because it might as well have been you doing it, because you were in Him when he died as the last Adam and you too are now dead to sin and thereby dead to Satan as you stay hid in Him. It might as well have been you, Pat. So you agree with this, that you did it." We agree that when Christ died - we died. That "accounts" us dead by faith in that fact. So when we Christians are living out

of the realm of the flesh, God sees us as I was - in my shorts - in the flesh. Sunbathing - you are reading the Word (in the Son) of course, but you do not have the protection of that building - a type of the Holy Spirit. So those mafia men came and they had an assignment on me. While I was in that fleshly realm I had no real protection. Your mother stands for the grace of God and while she stood by me I was protected, but as soon as she left me I was under attack. Getting mail is a type of answered prayer. If you are being attacked physically, or in your family, or ministry, or financially, you are extremely vulnerable if you are living out of the flesh. As soon as I ran up to the second story, which is the spirit - through the restroom - which is a place of death, there was my brother - Jesus, even though it was my brother Tom - for the symbolism of a brother. I sat on his lap - I was seated together with him. And then I was dead and my life was hid in Christ with God (hidden behind the Bible). And *that* person is a sharp shooter! Me - hid in Christ - is a sharp shooter. (Colossians 3:3) Me out of Him, living in the flesh - forget it! Your best specimen of humanity is nothing compared to the devil. Take Mr. Universe, take the people that have the highest education - "Flesh and blood cannot inherit the Kingdom of God." (I Corinthians 15:50) Flesh and blood also cannot fight the principalities that are against the Kingdom of God. Our flesh and blood has no power against demons.

In this next dream, I saw many of us Christians sitting inside a mobile home - a large white mobile home. It was also a school setting. Suddenly I looked out and I saw these wild looking men. They looked like they were in their early twenties. A man I knew said: "These are hell's angels." There is a group called "hell's angels". They were or may still be - a real rough motorcycle group. The hell's angels in this dream, however, are literally demons, Now even though mobile homes seem to be very fragile, *this* mobile home I knew was *impenetrable*. You could not get into it. In fact, they took crowbars and they were going to try to get into that mobile home. White stands for righteousness. That white mobile home is the household of the righteous. They were going to try to get in. They did everything that they could, but they could not get in. The crowbars were where it says in II Corinthians 10:3-5: "For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ." The imaginations and high things are the crowbars - that is where they attack us. You can be having a wonderful time, and all of a sudden a little thought comes, "How are you

going to make it?” And there you were flying as high as an eagle. “How are you going to make it?” And they use their crowbars. “Oh, I do not know. I do not know!” - as you respond and you yield to their crowbar imaginations - and Boom! - in they come into your house. In the dream I knew if they got in, was there going to be trouble! What happens from the time we let those crowbars in, those imaginations in? One day - two days and look at how much damage is done - how much time is lost before God, how much peace we lose, maybe throw the answer out the window again, and we have to start all over. Can we see how much damage is done? But He wants you to know that even though when you are in the spirit and feel like it is fragile as a mobile home, it is *impenetrable*. He is your Rock, your Fortress, your High Tower - as you stay *in* that position, *in* the Spirit. Ephesians 6:10: “Finally, my brethren, be strong *in the Lord*, and in the power of *His might*. Hallelujah!

Here is a good dream I had about disease: I had a dream where I saw households coming under attack from an unseen force. Powers in the air that were felling people. I can remember John G. Lake talking about when they had plagues come on the people. There was a brother that would travail and travail and travail against these evil spirits. I am talking about epidemic type demons, He would see these demons as sheep in the sky - herds of demons in the sky - and they would pounce on these people and they died of the disease. They buried them right and left. This brother would pray and he would travail. John Lake would say: “How is it going?” - as he walked by him. I believe in faith and receiving it as done, but there are sometimes that you need to travail and pray, and keep on praying and keep on praying from faith. He *did* and he said: “I almost have it. (to Brother Lake) I almost have it. I just need a little help.” He had been praying like that for three days and Brother Lake joined him, and boom! - they saw those herds of demons just fall to the ground and lose their power. So when disease and epidemics come around, such as flu epidemics, what do you think they are? Flu epidemics? No, it is demons that specialize in disease.

Getting back to the dream - these people were being felled on the beach. I saw one woman laying on the beach. She was not in the water though. She was laying on the beach away from the water. There were two other people laying there too. She was an old woman. That is a type of us as we are living out of our old natural man, the flesh. When we are not buried in the waters of that death, we are vulnerable to those diseases that come to attack the human race. Also it talks about in Isaiah 59:19: “So shall they fear the Name

of the Lord from the west, and His glory from the rising of the sun. When the enemy shall come in, like a flood, the Spirit of the Lord shall lift up a standard against him.”

I had a dream right on top of this and this has to do with prosperity in finances. This will be an answer to some of you as to why possibly you are not seeing some of your prosperity that you have been believing for. In this dream I saw this old man and he was in a coffin - ugly and decrepit. You and I in the flesh - apart from the Lord - are really ugly and decrepit. He was laying there and the whole town was thrilled that this man had died because now a beautiful new ruler was going to come forth and take over. They thought it was wonderful. Well he could not actually rule because he was still at a distance. There he was in the coffin and all of a sudden you saw this man that was supposed to be dead, open his eyes, and he was looking in his pocket saying: “Where is my prosperity, where is Abraham’s prosperity?” But you see that beautiful young ruler *could not* rule until that man stopped living. You cannot just act like you are dead. There is a literal death that is activated so the new you can be released. When that takes place then that beautiful young ruler - Jesus - comes forth and then all the blessings that are to Abraham and his Seed come forth which include prosperity. Because they are not to Abraham and Adam. They are to Abraham and his *Seed*, who is Christ. Christ in you. The blessings are to Christ. So then as that Young Ruler is living instead of that old Adamic person - the blessings will flow to you - the finances will flow to you.

Then I had a dream where I saw two diseased people and I knew the only antidote of their disease was in having had those diseases. So we can see that when people get inoculations they are getting that disease on a minor scale so they will be immune to it should it come their way. So when we are partaking of the death of Christ in which He *already took* the disease - then we die out to disease. We are living in the law of the Spirit of Life. So *when* you are in the Spirit and Satan tries to bring symptoms on you, you stand against those things. You do not have to take those diseases. Satan is deceiving you. Now when you are living out of the flesh it is going to be a little different because you are not going to have power over that. But when you are in the Spirit you have left the realm of the flesh where natural disease can dominate you. When Satan tries to come to you as you are in the Spirit - which is where the scriptures say: “Submit yourselves to God (in the

Spirit) (then) resist the devil and he will flee from you.” (James 4:7) Dead people cannot have disease. Dead people cannot be poor. Dead people cannot have strife. Once you and I die, once we actually enter into that death, we have no legitimate problems - do we? *You* do not have anymore problems with your kids or your husband in reality. But that doesn't mean the enemy won't try every inch of your new ground - but believe me - fighting him from heaven is where the victory is registered. Galatians 2:20a: “I was crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me.”

Aside from the topic of this book of dreams relating specifically to warfare, I want to share what it is, and how it is, you can enter “into” the Spirit.

It is probably fairly common knowledge to most Christians that when we are baptized in the Holy Spirit, a subsequent experience after salvation, that through the impartation of the Holy Spirit, that we are then at that point “in the Spirit”.

Unfortunately however, after the initial experience of our Holy Spirit baptism, if there is not the understanding of how to maintain living out of the Spirit, the believer moves back down into natural, fleshly energy and this is what is called for the Christian, a walk "in the flesh".

It is basically through ignorance the spiritual realm’s position is lost. It is not that the Holy Spirit ever necessarily leaves the Christian, but Christ can only be manifested in that realm and not in the physical realm. So it is that the Holy Spirit and His power are dormant in that believer because he has not understood how to “by faith” maintain his walk in the Spirit.

So often the believer enjoys the presence of the Holy Spirit while worshipping God, just to leave the service and shortly thereafter descend back into the life of the carnal, Adamic nature.

I want to “lightly” touch on a couple of points that will help you to “see” how to enter and stay in that realm and “walk in the spirit” so that you will not fulfill the lusts of the flesh. (Galatians 5:16)

This is a very brief touching on this subject. I have taught hour upon hour on all of the aspects of the cross and if the reader is interested in more detailed teaching you can obtain a current tape list for more in-depth teaching.

This “seeing” ability has only One Source - the Precious Holy Spirit. Without His enlightening of the spiritual eyes of our understanding, the Word of God and revelation knowledge are foolishness and the dead letter.

So Holy Spirit, I ask you to now open your people’s eyes as I share very briefly ways that will allow the believer to “see” and release their faith in the “facts” of the cross.

I want you to picture Jesus on the cross in your mind’s eye. I want you to see Him crucified, beaten and dead on this cross. Then I want you to picture your face where His face should be. Meditate on this. Think about it over and over. Galatians 2:20 says "I was crucified with Christ, nevertheless I live, yet not I

but Christ liveth in me." Say that scripture within yourself over and over-mutter it-say it out loud.

You see, Jesus not only died for you, he died as you! When you meditate that it was He and you together that died, then the Holy Spirit will apply His death to your flesh and Christ will rise up in you and begin to live out HIS LIFE through you!

In 2 Corinthians 4:10 the Word of God says "Always bearing about in the body the death (rather than dying) of the Lord Jesus that the life also of Jesus might be made manifest in our body". As we have faith in His death it becomes our death and the Holy Spirit operates both the virtues of His death and His resurrection simultaneously.

I would suggest you take scriptures such as Romans 6:6, Colossians 3:3, Psalm 91 and John 15:4 and meditate them - think on them, say them. There are many more scriptures on this subject, but these are just a few that will get you started to make your walk in the spirit experiential as well as legal.

The only way we ever will be released into spiritual, resurrection life in Christ is if we first enter into His death on the cross - a vital missing link in the average, today's Christian. As this truth is restored to the Body of Christ, we will see the restoration of Power and Revelation that we so sorely need to make a difference for Jesus and put the enemy on the run.

Bibliography

Pat Martinez began her public ministry in 1980 where she taught Bible studies to business people on lunch hour time in various offices and near-to-work churches. She was born again and filled with the Holy Spirit in November of 1972. She attended Word of Faith Bible College in Dallas, Texas in 1977.

At the same time she began teaching the Bible studies she began teaching in the local jails and federal penitentiaries and has continued doing so to this present time.

After teaching at various home Bible studies, restaurant meeting rooms, churches and a monthly meeting at a drug and rehabilitative center a regular group of followers of her meetings was formed and the Holy Spirit led the formation of a church in Broken Arrow, Oklahoma where she and her husband pastored.

Pat has also shared the Word of God and the Gifts of the Holy Spirit at various Women Aglow meetings and Women Alive meetings.

She has a strong emphasis on teaching in the realm of the nine gifts of the Holy Spirit as well as what is to be "in actuality" living in the Spirit. Another strong anointing is on the subject of "faith". She has much revelation on the topic of dreams and visions in the revelation gifts of the Word of Wisdom, Word of Knowledge and Discerning of Spirits fulfilling a prophecy given to her by Dick Mills 13 years ago.

Many signs and wonders, such as cancer healings - bone and back healings - creative miracles where God has created arches in flat feet, restructured teeth formations by their literally being moved - and disintegrated discs being restored have occurred in her ministry.

Her ministry couples the uncompromising Word of God with the direct manifestations of the Gifts of the Holy Spirit confirming the preached Word.

In December of 1987 the Holy Spirit through much revelation has led her and her family to Burbank, California to continue her ministry in that location.

Two books published to date are: "Dreams and Visions - A Heavenly Language" and "In The Spirit Dreams - Warfare". Three more books that will be published in the near future are: In The Spirit Dreams - Rapture — In The Spirit Dreams - Ministry — In The Spirit Dreams - General
